Respected Bose Institute Alumni,

It is a great pleasure to inform you that recently an initiative has been taken by some of the faculty members of Bose Institute to form 'Bose Institute Alumni Association'. In this connection, they felt that it will be nice if this proposal for the foundation of Alumni Association is discussed in presence of those Alumni (individuals, those did their PhD from Bose Institute), who are currently working/living in and around Kolkata. We had a preliminary discussion with the Director, Bose Institute, who has kindly agreed to be the Chief Patron of this proposed Bose Institute Alumni Association. In this context, as one such alumnus, you all are earnestly requested to attend the Meeting scheduled to be held on **June 03, 2013 (Monday) at 4-00 pm in the Annex Building seminar room, Centenary Campus, Bose Institute, Kolkata 700054** to discuss and decide on this matter.

Although efforts have been made to include all those Alumni residing in this area, but quite likely, we may have missed some of them, since the list covers people of several generations and that too spread out far and wide. We will appreciate it very much if you please inform those Alumni who are missed out from the recipient list of this circular and encourage them and others as well to attend the Meeting to make a happy beginning of this long-awaited Bose Institute Alumni Association.

Earnestly looking forward to see you,

With warm regards,

Sincerely,

Dr. Tapan K. Dutta
